

ASHFORD EDU 626 Week 6 DQ 2 Conflicting Perspectives in Educational Research

[CLICK HERE FOR ASHFORD EDU 626 Week 6 DQ 2 Conflicting Perspectives in Educational Research](#)

Conflicting Perspectives in Educational Research. After reading "Bridging the Evidence Gap in Developmental Education" summarized in the week's required readings, discuss your thoughts on the use of research in developmental education. Do you feel that the research agenda proposed will help to alleviate the conflicting perspectives regarding research in this area of education? What could be added to this research agenda to encourage useful research in this field that will add to the body of knowledge?
