The Importance of Grammar, Mechanics, and Style. You have received feedback on the Diagnostic Essay and Diagnostic Quiz from Week One as well as your Narrative Essay Draft from Week Two. You have also read about and explored common writing problems after visiting the Ashford Writing Center. Review the feedback you have received; then, identify and discuss three errors noted in grammar, mechanics, or style. Explain why you think the errors occur, how you plan to correct the errors (specifically), and how you might avoid the errors in future work.
